

Final Submission

When finished, you will upload your final project as a revision to your proposal.

Final Submission

1. Upon approval of your proposal, you will receive the following email with a link to revise your submission. **This is where you will modify your original correct and relect the final submission.**

3. Please scan the [completed signature page](#) for your research project and submit it along with the submission of your final report to IdeaExchange@UAkron. **Note that you do not need to have the approval from the Dean of the Williams Honors College before submitting your signature page.** The signature page should be uploaded as an *additional file* to your submission. **Ensure that you are using the correct form for submitting the final project by checking if there is an box for Reason of Update at the end of the form**
