Dear Ms. Johnson,

Please accept my application for an internship with City of Cleveland Law Department for the Spring 2024 semester. I am a second year law student at The University of Akron School of Law whose interest in working for the Law Department grew after meeting a member of the Law Department's recruitment staff regarding the Summer Honors Program.

My interest in the City of Cleveland Law Department stems from my strong desire to pursue a career in public service, particularly in tort law and litigation. I am highly driven to your Tort Division because of its dedication to protecting Cleveland and its various important departments
