**Exempt
Sales and Us**

This organization or institution qualifies for exemption from sales tax on purchases of goods and services that are:

This authorization for exemption is limited to purchases of goods and services that are for the use of the organization or institution, and the purchaser must be an exempt organization, and he or she will be required to provide a valid exemption certificate when the sale is made to the organization.

This exemption certificate may not be used for other locations and may not be used for other purposes.

Ensure that the portion is properly completed.
